CAPACITY

Dear Client

We live in a ever changing world and we try to stay with the times. We at N.R.E would like to assist you to use the safest and most convenient method of payment. Herewith a list of all our different methods of payment other than our cashier:

DEBIT ORDER:

- Most of us are familiar with a debit order, whereby your bank account is debited with the rental or levy amount and credited into our trust account.
- This is a very safe and convenience method of payment and you have peace of mind that your account is paid no matter where you are.
- You save on bank costs as the fees for debit orders are minimal.
- Please find attached a debit order form. Please fill in and return to our offices if you wish to make use of this facility.

BANK DEPOSIT:

- If you wish to pay your account directly into our Bank account, this is what you need to know:
- Our account details: **Standard Bank: Account No.: 041257537 : Branch Code: 051001, Brandwag.**
- The deposit slip should be marked **M65** and use **the customer Identity Number: 052C**, for the teller to view our profile immediately. The **M65** deposit slip is also attached to invoices/statements that we send to you.
- You have to fill in your reference number in the remitter space as this is vital for us to allocate the payment to your account on our system.

ATM ACCOUNT PAYMENTS:

- All you need to do is to register your N.R.E. account number at your bank.
- This gives you the freedom to pay your account wherever you are. All you do is to go to an ATM, choose account payments and transfer the money in a few seconds.

INTERNET BANKING:

- Internet banking is fast becoming the most convenience method of payment. Now you can pay all your accounts from the comfort of your own home.
- All you need to do is register your N.R.E. account on your Bank's online site. Please note that with ABSA, Standard Bank, Capitec and FNB you need to load the Public beneficiery and not load NRE manually as normal beneficiery.

For any enquiries about abovementioned methods of payment, please contact our Debt Collectors department:

We recommend you use the abovementioned methods of payment as cash handling is becoming extremely dangerous and we will eventually have to refuse any cash payments.

Geagte Kliënt

Ons leef in 'n wêreld wat konstant verander en ons poog om saam met die tye te beweeg. Ons wil u graag bystaan om die metode van betaling so veilig en gerieflik moontlik te maak. Hiermee 'n lys van al die verskillende opsies van betaling uitgesluit by ons kassiere:

DEBIET ORDER:

- Meeste van ons is bekend met debiet orders, waar u bankrekening gedebiteer word met die huur van heffingsbedrag en ons trust rekening gekrediteer word.
- Hierdie is 'n baie veilige en gerieflike wyse van betaling, wat u die gemoedsrus gee dat u rekening vereffen word ongeag waar u is.
- U bespaar bankkoste aangesien die fooi vir debiet orders minimal is.
- Vind asseblief aangeheg 'n debiet order vorm. Vul in en besorg terug by ons kantore indien u van hierdie fasiliteit gebruik wil maak.

BANK DEPOSITO:

- Indien u verkies om u rekening te vereffen deur middel van 'n deposito in ons bankrekening het u nodig om die volgende te doen:
- Ons rekening besonderhede: **Standard Bank: Reknr: 041257537 : Taknr: 051001, Brandwag**
- Die deposito strokie moet **M65** gemerk wees en gebruik "**Customer Identity Nr: 052C**" by die teller om ons profiel onmiddellik te kan oproep. Die **M65** deposito strokie word aangeheg aan die state en fakture wat ons vir u stuur.
- Maak seker dat u u rekening nommer onder die spasie "remitter" invul, wat die allokasie van u deposito sal vergemaklik by ons.

OTM REKENING BETALINGS:

- Al wat u moet doen is om u N.R.E. rekening nommer eenmalig by u bank te registreer.
- Dit gee u die vryheid om u rekening te betaal waar u u ookal bevind. Al wat u doen is: gaan na u naaste OTM, kies rekening betaling en u plaas die geld binne sekondes oor.

INTERNET BANK:

- Internet bank is vinnig besig om die gerieflikste metode van betaling te word. Nou kan u al die rekeninge betaal vanaf die gerief van u eie huis.
- Al wat u moet doen is om u N.R.E. rekening te registreer op u Bank se aanlyn webblad.

Let wel dat by ABSA, Standardbank, Capitec en FNB moet die voorafopgestelde publieke begunstigde gekies word en nie NRE se bankbesonderhede as 'n normale begunstigde gelaai word nie.

Vir enige navrae in verband met bogenoemde betalingsmetodes skakel asseblief ons Skuld Invorderaars Departement

Ons moedig u aan om van bogenoemde metodes gebruik te maak aangesien kontant hantering ongelooflik gevaarlik word en ons uiteindelik verplig sal wees om kontant betaling te weier.

IMPORTANT NOTICE

Dear Sir/Madam

Cash handling has become extremely dangerous and expensive and we charge the same rates as Standard Bank does. Technology will inevitably make cash handling redundant in the future.

Please note: A Cash Handling fee of R8.00 + 1.64% of the amount paid (rounded up to the nearest Rand and a minimum of R60.00) will be charged on all cash payments made at National Real Estate's office or any Standard Bank.

What are the alternatives:

1. Sign a debit order.
2. Make electronic payments.

BELANGRIKE KENNISGEWING

Waarde heer/dame

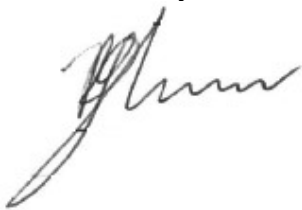

Kontant hantering het baie gevaarlik en duur geword en ons hef dieselfde tariewe as Standardbank. Tegnologie is besig om kontant hantering in elk geval onprakties te maak in die toekoms.

Neem kennis: 'n Kontant hanteringsfooi van R8.00 + 1.64% van die bedrag (afgerond na die naaste Rand met 'n minimum van R60.00) word vir elke kontant betaling gehef, hetsy by die kantoor van National Real Estate of Standard Bank.

Wat is die alternatief:

1. Teken 'n debiet order.
2. Maak elektroniese betalings.

Yours faithfully / Die uwe

**ROELOF DEDNAM
DIRECTOR**
